**MSD Notice of Construction  
STREAMWOOD PUMP STATION ELIMINATION SEWER  
In Green Township, Hamilton County, Ohio**

Cincinnati, September 13, 2006 - The Board of County Commissioners recently approved funding for the Streamwood Pump Station Elimination sewer. Managed by the Metropolitan Sewer District of Greater Cincinnati (MSD), a construction contract has been awarded to Bray-Arnspurger Excavating Company, Alexandria, Ky. Construction is scheduled to begin October 2 and is expected to be completed by May 1, 2007.

This project will remove a sewage pump station from service with a gravity sewer and provide an increased level of service in the area. The project will involve the installation of 1,072 feet of 12-inch diameter gravity sewer. Construction will occur parallel to Race Road through the adjoining properties, starting approximately 500 feet south of its intersection with Reemelin Road. The awarded construction cost of the project is \$226,420.

This project is part of MSD's ongoing Capital Improvement Program (CIP), which is focused on continually updating and improving the operation of MSD's wastewater collection and treatment systems.

Every day, the Metropolitan Sewer District of Greater Cincinnati (MSD) manages the effective collection and treatment of more than 200 million gallons of wastewater and actively maintains 3,000 miles of sanitary and combined sewers that run through the 49 municipalities and townships of Hamilton County. Owned by Hamilton County and operated by the City of Cincinnati, MSD is committed to continually maintaining and improving its wastewater collection and treatment systems for the betterment of both public and environmental health.
